All vehicles include bedding, linen, general living and kitchen equipment, cooking utensils and cutlery. All vehicles feature power steering, driver and passenger airbags and ABS brakes. The above floorplans and specifications are indicative of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability, but your vehicle will be suitable for the required number of people and have similar specifications to those listed. Specifications may change without notice and cannot be requested. Rear cabin air conditioning, heating and microwave must be connected to 240V mains power to function. Solar power panels provide a trickle charge to the 12V house battery power supply only; much like the engine battery does when driving. The solar panels will not charge over and above the current draw on the battery, nor will they fully charge it. *Maximum weight for top bed in the Endeavour and Euro Quest is 200kgs. **Cannot be requested. Please refer to www.apollocamper.com for detailed info on child and booster seats. APL001-09/23.

All vehicles include bedding, linen, general living and kitchen equipment, cooking utensils and cutlery. All vehicles feature power steering, driver and passenger airbags and ABS brakes. The above floorplans and specifications are indicative of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability, but your vehicle will be suitable for the required number of people and have similar specifications to those listed. Specifications may change without notice and cannot be requested. Rear cabin air conditioning, heating and microwave must be connected to 240V mains power to function. Solar power panels provide a trickle charge to the 12V house battery power supply only; much like the engine battery does when driving. The solar panels will not charge over and above the current draw on the battery, nor will they fully charge it. *Maximum weight for top bed in the Endeavour and Euro Quest is 200kgs. **Cannot be requested. Please refer to www.apollocamper.com for detailed info on child and booster seats. APL001-09/23.
