All vehicles include general living and bedding equipment. All vehicles feature automatic transmission and have air conditioning and heating in the driver's cabin. The above floorplans and specifications are indicative of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability but your vehicle will be suitable for the required number of people and have similar specifications to those listed. Specifications may change without notice and cannot be requested. Solar power panels provide a trickle charge to the 12V battery power supply only, much like the engine battery does when driving. The solar panels will not charge over and above the current draw on the battery, nor will they fully charge it. Please refer to [www.britz.com/nz/en](http://www.britz.com/nz/en) for detailed info on child and booster seats. \*Maximum weight for top bunk in HiTop, Voyager and Discovery is 200kgs. \*\*Bike racks and bike hire are an additional cost.
