Job Title: Travel Advisor, Thailand

Have you traveled around Asia? Do you love to plan exciting destinations? Do you have sales and/or service experience? Do you want to be a part of the bustling and exciting metropolis of Bangkok, where adventures awaits to be explored around every corner? Being close to paradise beaches, have the opportunity to eat extremely tasty food and never have to worry about cooking or freezing in the Scandinavian winter. Then you might be the person we are looking for.

Go Beyond has one position available as a Travel Advisor in Bangkok in June 2017. The position is with a minimum of 12 months employment. You will join a talented team of young professionals and work in a mixed cultural environment. Daily tasks include booking hotels and tours and not least advising guests. The most important task as a Travel Advisor is to make sure that our guests feel at home and to give them the best advice possible.

As a Travel Advisor you will have an unforgettable experience. You will build a very strong knowledge about traveling in Thailand and neighboring countries, that you can use not only here, but also upon returning home. You will become an expert. It is a very exciting job in which you will pass on your own travel experience.

## Tasks

- Advising and inspiring our guests and solve problems
- Daily walking tour in the neighborhood
- Daily info meeting for our guests both in English
- Booking tours and hotels and help planning interesting itineraries
- Check bookings and arrival lists from agents
- Work closely with the staff at our guest house (New Road Guest House), partner hostels and overseas agents

You will have considerable responsibility and we expect you to work both independently and as part of a team. The environment will sometimes be very hectic, so we expect you to stay calm and focused under pressure.

## Who Should Apply?

Ideal candidates will have guide and/or extensive travel experience in Thailand and Southeast Asia. Applicants with experience in sales and good sales techniques as well as interaction with customers will be preferred. Fluent English is a must. Multilingual speakers will also have an advantage in the application process.
