in-vehicle tablet

All our campervans are fitted with an in-vehicle TomTom GPS tablet to help you at every stage of your campervan holiday. There are a number of different features, functions and information all designed to help you find your way around.

With WIFI hotspot functionality, operational 'how to' videos for the campervan, information on how to find and book campgrounds and activities, plus the location of fuel stops, you will have help at every turn.

Motorhomes are supplied with freshly laundered linen and bedding, kitchen essentials including crockery, cutlery and cooking utensils, plus a few extra little luxuries like wine glasses and a coffee plunger so you don't go without on your holiday. You will also have all the general living equipment you will need.

maui recommends soft bags instead of suitcases for easy storage.

All vehicles include general living and bedding equipment and feature automatic transmission. The floorplans and specifications are indicative of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability but your vehicle will be suitable for the required number of people and have similar specifications to those listed. Specifications may change without notice and cannot be requested. Rear cabin air conditioning, heating and microwave must be connected to 240V mains power to function.
